Code 27

Design: Stefan Borselius & Johan Lindau
2014

CODE 27

The Code 27 sofa system has adaptability built into the design concept. The system is infinitely extendable – from small to large and even bigger still. We created a code based on 27 cm modules and made a visual divide down the middle of the seat cushions, so they are all reversible and can be used in the same way. Frame of lacquered tubular steel. Polyether foam and down upholstery with fabric or leather covers. Plastic feet.

	unit A	unit B	unit C
Total height	750	750	750
Seat height	400	400	400
Total width	660	930	1470
Seat width	540	810	1350
Total depth	920	920	920
Seat depth	650	650	650
