Leaf magazine board

Design:

Robert Bronwasser

The Leaf magazine board is an attractive and practical magazine or brochure holder which forms part of the Nature series by Robert Bronwasser. The sturdy shape makes Leaf highly suitable as a free-standing item. The warm grey colour has an informal feel which fits into any environment. Leaf is stable, can be folded flat and is easy to move around. Leaf magazine board, MFD, warm grey dark Sikkens F2.10.40.
