

## coat stands

### Pole

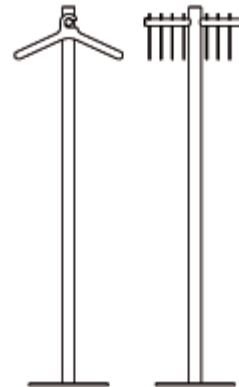

#### Design:

Robert Bronwasser

Pole is a sturdy coat stand which can hold eight coats. The Pole coat hanger matches the coat stand perfectly in terms of form and colour. Together, they make an attractive whole, with the rounded shapes guaranteeing a friendly image. The coat stand and hangers are available in several colours. In the colours blue, orange and fuchsia, Pole comes across as cheerful and fresh. The white combination is clear-cut and minimalist, whilst the coat stand is chic and elegant in black.

Pole coat stand, powder-coated steel. Available in white RAL9016 (1068.w), black RAL9017 (1068.b), orange RAL2011 (1068.o), blue RAL5012 (1068.BLUE), fuchsia RAL4006 (1068.p).
