

BELVEDERE

Mounting	: Three phase track
Lamps description	: QR-CBC51 (50W Max.) GX5.3
Environment	: Indoor

OPTICAL

Light controller description	: Bare lamp
Reflector finish	: Aluminum
Aiming	: Directional
Light distribution symmetry	: Symmetric
Beam angle	: 10°, 24°, 38°, 60°

ELECTRICAL

Transformer availability	: Included
Transformer mounting	: Integral
Emergency	: Without
Insulation class	: Class I

PHYSICAL

Construction material	: Die-cast aluminum
Weight (kg)	: 0,57

Belvedere9
design by Antonio Citterio with Toan Nguyen

Spotlight to be installed on 3-phase track. Electronic transformer 220/240V – 12V, 50/60Hz dimmable leading and trailing edge integrated
