

PURE 3 SPOT

Mounting	: Three phase track
Lamps description	: QR-111 (100W Max.) G53
Voltage (V)	: 220/240
Environment	: Indoor

OPTICAL

Light controller description	: Bare lamps
Reflector finish	: Aluminum
Aiming	: Directional
Light distribution symmetry	: Symmetric
Beam angle	: 8°, 24°, 45°

ELECTRICAL

Transformer availability	: Included
Transformer mounting	: Integral
Emergency	: Without
Insulation class	: Class I

PHYSICAL

Construction material	: Aluminum
Weight (kg)	: 2,3

Pure 3 Spot 12

design by Knud Holscher

Spotlight to be installed on 3-phase track. Electronic transformer integrated 220/240 V - 12V, 50/60Hz. Dimmerable from 10% to 100% of full output using built-in potentiometer
