

NEUTRON I

Mounting	: Floor
Lamps description	: Cluster LED (6W)
Voltage (V)	: 220/240
Environment	: Indoor, Outdoor

OPTICAL

Light controller description	: Metalized aluminum
Aiming	: Fixed
Light distribution symmetry	: Symmetric
Beam angle	: 9°

ELECTRICAL

Transformer availability	: Included
Transformer mounting	: Integral
Emergency	: Without
Insulation class	: Class I

PHYSICAL

Construction material	: Stainless steel
Weight (kg)	: 1,1

Neutron I9

LED up-light. Cluster 6 LED module integrated. Electronic driver 220/240V integrated. Watertight connection device included
