

**GIANO Ø220**

Mounting	: Recessed Wall
Lamps description	: LED 6W 251lm 3000K
Voltage (V)	: 220/240
Environment	: Indoor, Outdoor

**OPTICAL**

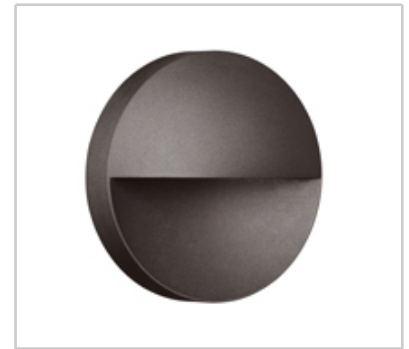

Light controller description	: Diffuser Lens
Aiming	: Fixed
Light distribution symmetry	: Asymmetric

**ELECTRICAL**

Transformer availability	: Included
Transformer mounting	: Integral
Emergency	: Without
Insulation class	: Class I

**PHYSICAL**

Construction material	: Die-cast aluminum
-----------------------	---------------------

**Giano Ø22010**

Surface guide light for indoor and outdoor applications. Electronic transformer for LED integrated
