

# Screens

## **For those who require privacy without being isolated.**

Those who work on big visions need space to realise them. In the twinkling of an eye, Sedus screens can organise even expansive office spaces into partitioned, separated work areas. The result: visual and acoustic screening for the perfect, individualised working ambience.

Simple screen.

Linear screen.

Angled screen.

Threefold room configuration.

Fourfold room configuration.

## Adaptable yet entirely self-contained.

Sedus screens are solid in design, sturdy in construction and flexible in function. Whether they are used as free-standing room dividers, angled partitions or for a complex, manifold room configuration, the screens instantly create a positive working atmosphere. In addition, their versatility makes them amenable to any further layout changes.

**Practical trays.** More storage options for stationery, desk paraphernalia or notes.

**Wishbone monitor.** With a one-piece articulated arm.

**Giselle monitor.** With a two-piece articulated arm and gas lift support mechanism.

**Adapter.** Facilitates the flexible assembly of desk-mounted screens.

**Filling.** The special acoustic filling offers optimal sound absorption.

By means of special adapters, monitor brackets and a choice of screen models, the screens can be adapted to the individual requirements of any workstation.

**Desk-mounted screen.** With two-part filling and slim organisation section.

**Desk-mounted screen.** With two-part filling and wide organisation section.

**Desk-mounted screen.** Made from plexiglass.

**Desk-mounted screen.** Height can be adjusted behind the desk.

**Stabilising feet for screens.** The sturdy feet are available in a range of designs.

**Level adjusting screw.** Corrects any unevenness.

**Castors.** Make Sedus screens even more mobile.

**Frames and mounts**
