

# COTTON

Javier M. Borrás, 2004

La Cotton suspensión completa la gran familia de estas luminarias. Una gran pantalla cuadrangular de cinta de algodón crudo se sitúa suspendida para emitir una luz suave y confortable de gran calidad, con matices muy diversos y una gran eficacia lumínica.

The suspended Cotton completes this large family of lamps. A large quadrangular cotton ribboned shade hangs to emit a soft, cosy lighting of many textures and wonderful effectiveness.

Pantalla de cintas de algodón crudo. Difusor de metacrilato blanco en la parte interior. / Shade made of ribboned raw cotton. White methacrylate disc on the lower part of the lamp.
