## BIBLIOTHEQUE NATIONALE

Mounting : Floor  
Lamps description : 1 x MAX 150W E27 + CHARGER USB 5VDC  
Environment : Indoor  
Finish : Aluminized bronze, Aluminized silver, Fabric, Fumée, Transparent

Technical description : Floor lamp with diffuse light. Base, rod stand and diffuser stand in chrome-plated die-cast zinc. Base cover in zinc-plated P04 steel sheet. Internal diffuser and lamp-holder stand in opal coloured injection die-stamped PC. The external diffusers are available in matching PVC fabric, injection die-stamped methacrylate with clear or smoke-grey finish, or in silver or bronze on the inner surface, by vacuum aluminum coating. Upper ring in clear injection die-stamped PC. Brackets in polished stainless steel. A USB outlet placed on the base enables the most common smartphones and tablets to be recharged (max 2A).

## ELECTRICAL

Emergency : Without  
Voltage (V) : 230

## PHYSICAL

Cord length(mm) : 2010  
Construction material : Methacrylate, Polycarbonate, Stainless steel  
Weight (kg) : 10.35
